

C-CLIP

C-CLIP COMBO

SHARPENER MULTI-PACK

NEW

Three, legendary Lansky tools that will sharpen your blade with superior results, regardless of experience.

C-CLIP KNIFE SHARPENER

C-CLIP Knife Sharpener can be used to sharpen knives, fishhooks, darts, arrowheads, tools, needles, surgical-type tools, and more. At home, camping, fishing, hunting, boating, at work—**The C-Clip** is the most convenient solution.

THE “MINI” KNIFE SHARPENER

The “Mini” Knife Sharpener can be carried on its keychain, on a belt hook, or like loose change in a pocket. You can keep this sharpener with you **all the time!**

ERASER BLOCK CLEANER

It's more than a ceramic rod cleaner! Eraser Block works right out of the package to keep your ceramic rods clean and sharpening at peak efficiency...and it can erase hard to remove stains and spots on practically any surface, including sports equipment!

COMBO FEATURES

- At home, camping, fishing, hunting, boating, at work: three pocket sharpening tools for knives, fishhooks, darts, arrowheads, needles, surgical-type tools, and more.
- The C-Clip and the “Mini” both have 1000 ceramic grit rods.
- The C-Clip rods are set at 20°.
- The “Mini” has Large (A) and small (B) blade openings that provide access to intersecting portions of alumina ceramic rods for “pull through” sharpening. Rod angles are set at 22.5°.
- Includes half-sized Eraser Block made of synthetic rubber and an abrasive substance for easy ceramic rod cleaning.
